Agenda of the Meeting

- School System to strengthen CBCS

- E-Content Development

- NIRF 2018

- Introduction of Revised Blooms Taxonomy

Minutes

The meeting began with a short prayer.

After the welcome and introduction the Chair person Rev. Dr. Sr. Christina Bridget, explained the advantages and possibilities of moving to the school system in order to strengthen the Choice Based Credit System. The External Members suggested that this would improve the student's mobility to other schools and students will get a wider choice of subjects. The committee discussed the need for having workshops to orient faculty in this line. It was decided to identify suitable resource persons for this purpose and a committee was formed. The Principal also mentioned that discussion is to be initiated in the general staff body and staff council about the school system.

Dr. Mary Mejrullo Merlin presented the report on the progress in E-Content Preparation and said that more training is required for faculty in this regard.

The External members suggested that the junior faculty needs more orientation towards teaching learning processes. The members suggested that the College can now adopt the Revised Blooms Taxonomy for spelling out outcomes and lesson plan preparation replacing the older version of Blooms Taxonomy. Decision was also taken to identify suitable resource persons for this purpose. The IQAC coordinator explained the status of NIRF preparation.
